

SPOT RUNNER

The Ultimate Step Challenge!

THE EXPERIENCE

Step up to the sleek, glowing towers and test your speed, stamina, and competitive spirit! Spot Runner is an intense, fast-paced physical arcade game where your footsteps fuel the lights. Run in place as fast as you can to fill the LED arrows to the top before the clock runs out!

HOW TO PLAY

- **Start the Clock:** Press the start button to initiate the countdown.
- **Run in Place:** Stomp, run, or step rapidly on the sensor pad.
- **Light It Up:** Watch the vibrant chevron arrows light up row by row in bright blue.
- **Beat the Clock:** Reach the target steps before the 99.99-second timer maxes out!

GAME MODES

(Hold the start button for 5 seconds to switch modes)

- **Classic Sprint (96 Steps):** A lightning-fast dash to the finish line.
- **Quick Burst (72 Steps):** A shorter, hyper-fast mode for rapid-fire rounds.

KEY FEATURES

- **Multiplayer Showdowns:** Connect multiple towers! The moment the fastest player hits the top, it triggers a dramatic flashing red "loss" animation on the opponent's tower.
- **High Score Tracking:** Break the local record to trigger a flashing gold and green victory light show!
- **Dazzling Idle Displays:** Mesmerizing standby animations (rainbows, pulsing beats, and scanning lights) attract players when the machine is idle.

TECHNICAL SPECIFICATIONS

- **Power Input:** 12V 5A DC Power Adaptor
